Three-Day Closing Disclosure Rule

American Land
Title Association
Protecting the American Dream Since 1907

Note: If a federal holiday falls in the three-day period, add a day for disclosure delivery.

The three-day period is measured by days, not hours. Thus, disclosures must be delivered three days before closing, and not 72 hours prior to closing.

Disclosures may also be delivered electronically on the disclosures due date in compliance with E-Sign requirements.

Re-disclosure Requirements

§1026.19(f)2(ii)

Requiring redisclosure and an additional three-day review period

1. Inaccurate APR
2. Change in loan product
3. Prepayment penalty added

Seller Closing Disclosure

Seller provided Closing Disclosure by
settlement agent at consummation.

§ 1026.19(f)(4)(i)

Nothing prohibits settlement agent from creating a
separate form for seller purposes only

Waiver

§1026.19(f)(1)(iv)

Consumer may waive waiting period if they have a bona fide personal financial emergency. No waiver afforded for seller's financial emergency.

Purposely narrow definition by example: an imminent sale of consumer's home at foreclosure. Bureau chose not to expand definition.

Owner's Title Insurance Modifier

§1026.38(g)(4)(2)

Requires inclusion of the word "Optional" after Owner's Title Insurance on Loan Estimate and Closing Disclosure.

Unless paid by seller

Title Fee Disclosure Dilemma

- To Calculate
 - Loan Policy Premium: Show full loan policy premium without simultaneous issue adjustment in B or C
 - Owner's Policy Premium: Use full owner's premium, add simultaneous issue fee then subtract the amount shown for Loan Policy premium. Show is Section H
 - Creates inaccuracy in states with simultaneous issue credits and where the seller pays any portion of the premiums.

An Example

Facts: Owner's rate \$1,400 (seller pay)
 Simultaneous issue rate \$400 (buyer pay)

Rule requires:

Stand along loan \$850 (shows buyer paying \$450 too much)

Differential for Owner's (paid by seller) \$950 (seller
pays \$450 less than contract requires)

Additional Information About This Loan

Loan Disclosures

Assumption

If you sell or transfer this property to another person, your lender

- will allow, under certain conditions, this person to assume this loan on the original terms.

will not allow assumption of this loan on the original terms.

Demand Feature

Your loan

- has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

do not have a negative amortization feature.

Partial Payments

Your lender

- may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in
456 Somewhere Ave., Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

- will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: <i>Homeowner's Insurance</i> <i>Property Taxes</i>
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: <i>Homeowner's Association Dues</i> You may have other property costs.
Initial Escrow Payment	\$412.25	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.

- will not have an escrow account because you declined it your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow

Estimated Property Costs over Year 1		Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee		

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
