Re: Marcus C. Bryant joins the company as Assistant Claims Counsel

I am pleased to announce that Marcus C. Bryant ("Marc") will be joining the company, February 18, 2014 as Assistant Claims Counsel.

Marc received his Bachelor's degree, cum laude, in Professional Accountancy from Mississippi State University in 1999. He received his Doctor of Jurisprudence, cum laude from Mississippi College School of Law in 2009 where he served as Chairman of the Moot Court Board. In law school, Marc received the American Jurisprudence Awards for best paper in two classes.

Upon graduation from law school in 2009, Marc joined a large law firm in Jackson where he focused his practice on the areas of oil and gas law, property and estate matters. He is admitted to the 5th Circuit Court of Appeals and the state and federal bars of Mississippi and Alabama.

Marc is actively involved in his community. He is a 2011 graduate of Leadership Rankin. Marc currently serves as President of Mississippi Oil and Gas Lawyers Association. In addition, he serves as Project Chairman for Habitat for Humanity.

Marc will be working with the Claims Department managing Mississippi, Alabama and Tennessee claims for the company. I am excited that Marc has joined our team.
