## ○ A New Look to the Letter Request Page/Form

A new **Menu selection** at the top of the letter request page allows easy access to the functions of the application. This includes the **Manage Lists function** that was previously included on the letter request form; used to create and maintain the agent contact and lender information.

The letter request form is now available in a **short 'tabbed' form** version, as well as the existing single page long form version. Your long or short view selection will default the next time you log into the CPL application.

## ○ The Order Number is now Required for Single Transaction Letters

The agent **order number** (or commitment number/file number) is now required when requesting a **single transaction letter**. The order number field is located in the **Start Here** section of the letter request form.

If the order number entered is a number that **currently exists** for another letter, you will be advised. The window displaying the existing order number includes additional letter information related to the order number.

You may at that time view/update the existing letter. Options on how to proceed are also available. You may choose to change the order number selected for the new letter, add a new letter to the selected order number or cancel the letter request.
