Re: Lindsey S. Nichols promoted to Senior Title Examiner / Underwriter

Mississippi Valley Title is pleased to announce that Lindsey S. Nichols has been promoted to Senior Title Examiner and Underwriter.

Lindsey began her career with MVT in 2010 as a word processor in the Abstract Department. When MVT began offering searches outside of Metro Jackson and Desoto County, Lindsey assisted with management of those orders and quickly learned the role of abstracting and examining title before ultimately taking primary responsibility for the management and examination of those searches.

In her new role, Lindsey will continue management and examination of commercial searches outside of Metro Jackson and Desoto County. In addition, Lindsey will assist Scott Magee with issuance of commitments and policies for Approved Attorneys and other underwriting matters which may arise.

Lindsey can be reached at 601-961-4828 or lnichols@mvt.com.
