

## HIGH LEVEL OVERVIEW OF THE FINAL RULE

CFPB Final Rule

Released November 20, 2013

Effective August 1, 2015

### APPLICABLE LOANS:

The final rule applies to most closed-end consumer mortgage loans. It **does not** apply to *home equity lines of credit, reverse mortgages, or mortgage loans secured by a mobile home or by a dwelling that is not attached to real property*. The final rule also does not apply to loans made by a creditor who makes five or fewer mortgages in a year.

### PREPARATION AND DELIVERY OF THE CLOSING DISCLOSURE FORM:

Currently, settlement agents are required to provide the HUD-1 under RESPA, while creditors are required to provide the revised Truth in Lending disclosure under TILA. Under the final rule, the creditor is responsible for delivering the Closing Disclosure form to the consumer, but creditors may use settlement agents to provide the Closing Disclosure, provided that the settlement agents comply with the final rule's requirements for the Closing Disclosure. The final rule allows the lender to either create the Closing Disclosure form or share responsibility with the settlement agent.

### 3 DAY RULE:

The creditor must give the Closing Disclosure form to consumers at least three business days before the consumer closes on the loan. If the creditor makes any of the following changes between the time the Closing Disclosure form is given and the closing then the consumer must be provided a new Closing Disclosure form and a new three business day waiting period begins.—

- (1) if the credit or makes changes to the APR above 1/8 of a percent for most loans (and 1/4 of a percent for loans with irregular payments or periods),
- (2) changes the loan product
- (3) adds a prepayment penalty to the loan

Less significant changes can be disclosed on a revised Closing Disclosure form provided to the consumer at or before closing, without delaying the closing.

The lender is responsible for delivering the closing disclosure form to the consumer, but may use the settlement agent to provide the form.

- What are acceptable forms of delivery?
  - Providing it to the consumer in person.
  - Mailing, or by other delivery methods, including email. Creditors may use electronic delivery methods subject to compliance with the consumer consent and other applicable provisions of the Electronic Signatures in Global and National Commerce Act
- If the Closing Disclosure is provided in person, it is considered received by the consumer on the day it is provided. If it is mailed or delivered electronically, the consumer is considered to have received the Closing Disclosure six business days after it is delivered or placed in the mail

unless the consumer provides a confirmation of receipt.

- **“Business day”** means calendar days except Sundays and legal holidays.
  - There is no time stamp like there is with the loan estimate form.
- Waiver of waiting period for ***bona fide personal financial emergency*** only.
  - Consumer must hand write and date the waiver
  - Example provided by the CFPB:
    - The imminent sale of the consumer’s home at foreclosure, where the foreclosure sale will proceed unless loan proceeds are made available to the consumer during the waiting period, may be considered a **bona fide personal financial emergency**.
  - Creditor is prohibited from using a pre printed waiver form.

### **LIMITS ON CLOSING COST INCREASES (Tolerance Changes)**

Similar to existing law, the final rule restricts the circumstances in which consumers can be required to pay more for settlement services –for services required such as appraisals, inspections, etc. – than the amount stated on their Loan Estimate form. Charges for the following services **cannot** increase:

- (1) The creditor’s or mortgage broker’s charges for its own services;
- (1) charges for services provided by an affiliate of the creditor or mortgage broker; and
- (2) charges for services for which the creditor or mortgage broker does not permit the consumer to shop.

### **CLOSING DISCLOSURE FORM DETAILS**

#### **Line number changes:**

The final closing disclosure form does not retain the current line numbers on the HUD-1. The new form has is broken out by Loan Costs and Other Costs with sub sections within each. The numbering system is completely different than the current HUD-1.

#### **Line Terminology:**

The description of line items on the closing disclosure form must match the description used by the lender/broker on the loan disclosure form. The CFPB feels this will allow consumers to more easily identify fees and compare the two forms.

#### **Alphabetizing of fees:**

The description of line items on the Closing Disclosure form must be alphabetized within each subsection.

- (1) All title fees must start with the word Title ex: Title- Search Fee, Title – Lender’s Policy
- (2) The only exception to this rule is for fees that the CFPB have pre-determined lines for ex: Loan Origination Charge

## **IMPLEMENTATION TIMELINE/PROCESS**

The Final Rule will go into effect **August 1, 2015**. All applications received after August 1, 2015 or after will close with the closing disclosure form.

- Can a creditor use the closing disclosure form prior to August 1, 2015?
  - No. For transactions where the **application is received prior to August 1, 2015, creditors will still need to follow the current disclosure requirements under Regulations X and Z, and use the existing forms (Truth-in-Lending disclosures, GFE, HUD-1).**

### **Post-Closing Changes**

- If within 30 days post-closing, event changes that results in change to borrower-paid charge from final CD, creditor must provide corrected CD within 30 days of receiving info.
- “Non-numeric” clerical error: Must correct within 60 days of closing.
- Seller Paid Items: Settlement agent to correct 30 days after receipt of info.
- Tolerance violation cure: Must Mail a corrected CD that reflects the refund no later than 60 calendar days after consummation.

# Additional Information About This Loan

## Loan Disclosures

### Assumption

- If you sell or transfer this property to another person, your lender
- will allow, under certain conditions, this person to assume this loan on the original terms.
  - will not allow assumption of this loan on the original terms.

### Demand Feature

Your loan

- has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.
- does not have a demand feature.

### Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

### Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- do not have a negative amortization feature.

### Partial Payments

Your lender

- may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

### Security Interest

You are granting a security interest in  
456 Somewhere Ave., Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

### Escrow Account

**For now,** your loan

- will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: <i>Homeowner's Insurance</i> <i>Property Taxes</i>
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: <i>Homeowner's Association Dues</i>  You may have other property costs.
Initial Escrow Payment	\$412.25	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.

- will not have an escrow account because  you declined it  your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow		
Estimated Property Costs over Year 1		Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee		

### In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

# Additional Information About This Loan

## Loan Disclosures

### Assumption

- If you sell or transfer this property to another person, your lender
- will allow, under certain conditions, this person to assume this loan on the original terms.
  - will not allow assumption of this loan on the original terms.

### Demand Feature

Your loan

- has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.
- does not have a demand feature.

### Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

### Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- do not have a negative amortization feature.

### Partial Payments

Your lender

- may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

### Security Interest

You are granting a security interest in  
123 Anywhere Street, Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

### Escrow Account

**For now,** your loan

- will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: <i>Property Taxes, Homeowner's Insurance</i>
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: <i>HOA Dues</i>  You may have other property costs.
Initial Escrow Payment	\$576.95	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.

- will not have an escrow account because  you declined it  your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow		
Estimated Property Costs over Year 1		Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee		

### In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
