Re: Statewide Abstracting Service - State of Mississippi

Mississippi Valley Title Insurance Company is pleased to announce that effective July 1, 2010, we will begin offering abstracting services throughout the State of Mississippi. You can expect to receive the same level of professionalism, reliability and accuracy that we have provided for more than 50 years through our local abstracting offices. In order to centralize processing of abstract orders and to create greater efficiencies, we have also decided to close our office in Hernando, Mississippi. Beginning July 1, all orders for abstracting services can be placed through our home office in Madison, Mississippi. The contact information for this office is provided below.

Bryan Sansing will manage this division of our abstract department and should you have any questions, he can be reached at 601-961-4813 or bsansing@mvt.com.

We look forward to servicing your abstract needs on a statewide basis and providing you with the same level of service and quality product you have come to expect from Mississippi Valley Title.
