Re: Website

Earlier this month, an Underwriting Bulletin went out regarding a change to Premium Rates for Title Insurance Policies and Endorsements for Shelby County. This change becomes effective August 1, 2013.

As a result of this change, the calculator on our website will be updated on August 1 to reflect the new rates. Also if you use ValleyRite to prepare your Policy Report, it will reflect a new premium rate if a policy date is after August 1, 2013, and if a policy date is before August 1, 2013, it will reflect an old premium rate for Shelby County.

The Tennessee Underwriting Practices Manual has been updated to include the revised rates. It is located in the "For The Agent" Section.
