Re: J. Scott Magee joins the company as Associate Title Counsel/Title Services Department Manager

We are pleased to announce that J. Scott Magee will be joining the company, July 1, 2013, as Associate Title Counsel and Title Services Department Manager.

Scott is a graduate of Mississippi State University with a Bachelor of Business Administration majoring in Risk Management, Insurance and Financial Planning. He graduated Magna Cum Laude from the University of Mississippi School of Law and was Managing Editor of the Mississippi Law Journal. He also received numerous academic awards and was involved in various law school activities.

Upon graduation, Scott joined a large law firm in Jackson where he practiced in a diverse variety of areas in commercial law and civil litigation. More recently, Scott formed his own company (Magee Consulting, LLC), working as an Independent Petroleum Landman, and was engaged in all aspects of oil and gas land work, including title research, abstracting, leasing and curative work in Mississippi, Alabama and Ohio.

Scott will be working with and managing the Title Services Department and supporting our Approved Attorneys and Agents with underwriting matters. We are excited that Scott has joined our team and feel that his unique experience will be an asset in working with our Approved Attorneys and Agents.

Scott can be reached at 601-961-4818 or smagee@mvt.com.
